Enclosure No. 13.

Submits resolutions
recorded by the General
and Boards in the Bangalore
Dist - in re the treatment
men dispensing medica-
nes in Vidyalakshmi
Mantana from Dist.
Fund etc

are in favor of the proposal to treat the men dispensing medicine in the Kature Vidyadala as Government Servants.

2. The Municipal Board of Thyamapondra have resolved that as the Vidyadalas have only recently come into existence, it is not necessary to treat those men as Government Servants and that the question may be disposed of after these institutions gain some experience.

3. Chennapattina Municipal Board have resolved that as these institutions are of a temporary nature it is not necessary to treat them as Government Servants.

4. The Rankankalle Municipal Board are of opinion that men in Vidyadalas need not be treated as Government Servants.

5. Anthal Municipal Board have resolved that as there is no Vidyadala in the town the Board is unable to form an opinion in

in the ¹⁰ matter.

6. The District Board are unanimously of opinion that they should be treated as Government servants.

7. As regards my opinion in the matter I beg to state that the Pandits dispensing medicines in Native Vaidyashalas must be treated as Government Servants as there would otherwise be an unwelcome distr. among between them and other medical practitioners.

8. An extract from the Proceedings of the District Board is also herewith submitted.

I have the honor to be,
Sir
Your most obedient Servant.
